RE: **DOCKET NO. 76** - Century Cable Management Corporation Certificate of Environmental Compatibility and Public Need for a community antenna television tower in the Town of East Haddam, Connecticut. **Transfer of Certificate.**

Dear Attorney Larson:

At a public meeting of the Connecticut Siting Council (Council) held on March 16, 2017, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) for the above-referenced facility from Century Cable Management Corporation to CTI Towers Assets III, LLC. This approval of transfer is consistent with Connecticut General Statutes §16-50k(b) and conditioned on the consent of CTI Towers Assets III, LLC to comply with all the terms, limitations, and conditions contained in said Certificate issued on August 4, 1987, and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(2).

Thank you for your attention and cooperation.

Very truly yours,

Robert Stein
Chairman
