RE: Sprint Nextel Corporation's Application for a Certificate / Hamden

Dear Chairman Caruso:

Enclosed herewith you will find an original and twenty-five copies of Sprint Nextel Corporation's application for a certificate of environmental compatibility and public need for the construction of a telecommunication facility in Hamden, Connecticut (the "Application").

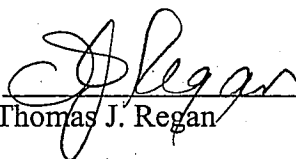

Enclosed for bulk filing are four full-size copies of the site plan and four copies of the Town of Hamden's Zoning Ordinances and Inland Wetlands and Watercourses Regulations.

I have also enclosed a check in the amount of \$1,000.00, representing the filing fee for this Application.

A copy of the Application has been served on the parties required by Conn. Gen. Stat. § 16-501(b). For a list of those parties, see Tab 5 of the Application. If any of those parties would like the site staked out prior to the site walk on the date of the public hearing, I will be pleased to make the appropriate arrangements.

Very truly yours,

BROWN RUDNICK BERLACK ISRAELS LLP
