Re: **Docket No. 325 - Application for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a Wireless Telecommunications Facility at 111 Upper Fish Rock Road in Southbury, Connecticut**

Dear Mr. Phelps:

As described in the above-referenced application, notice of Cellco's intent to file this application was published in the *Waterbury Republican-American* on October 30 and October 31, 2006. An Affidavit of Publication from the *Waterbury Republican-American* is attached verifying this fact. Please contact me if you have any questions regarding this matter.

Sincerely,

Kenneth C. Baldwin

LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50j(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about November 2, 2006, by Cellco Partnership d/b/a Verizon Wireless ("Cellco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications facility in the Town of Southbury, Connecticut. The site location is a 100'x100' leased portion of an approximately 32-acre parcel at 111 Upper Fish Rock Road. At the site, Cellco proposes to construct a 100-foot monopole tower and a 12'x30' equipment shelter located near the base of the tower to house radio equipment and a back-up generator. The facility will be designed to accommodate additional carriers and municipal emergency service antennas. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

Interested parties and residents of the Town of Southbury or Town of Newtown are invited to review the Application during normal business hours at any of the following offices:
