1. Manner in which petitioner claims to be substantially and specifically affected:

My home is diagonally opposite the proposed Cellco tower site. It's construction would invade the unique historic town of Gaylordsville. I believe that it is the duty of the Connecticut Siting Council to preserve and protect the architectural integrity of this historically important Connecticut town.

2. Manner and extent to which petitioner proposes to participate:

I plan to attend the December 18, 2007 hearing; to be heard and to cross-examine Cellco.

Copies of this request shall be mailed to all participants at least five (5) business days before the date of the hearing.
