Request from: Connecticut Siting Council

Question:

What type of resident feedback has CL&P received as a result of the October 3, 2007 notification letter? Was this letter sent only to abutters?

Response:

CL&P received three calls from residents as a result of the October 3, 2007 notification letter. The calls were received on October 9, two from residents on Hope Circle and one from a resident on Sunnyfield Drive. The residents asked questions as to the substation's impact on property values, health effects, and safety and its visual layout. The letter was sent to direct abutters and to four property owners across Rood and Matianuck Avenues from the CL&P property.
