RE: **DOCKET NO. 490** - The United Illuminating Company Certificate of Environmental Compatibility and Public Need for the Old Town Substation Rebuild Project that entails construction, maintenance and operation of a 115/13.8- kilovolt (kV) air-insulated replacement substation facility located on the existing Old Town Substation parcel at 282 Kaechele Place and two parcels immediately north totaling approximately 3 acres that are owned by the United Illuminating Company at 312 and 330 Kaechele Place, Bridgeport, Connecticut, and related transmission structure and interconnection improvements. Docket NO. 490, Certificate Condition No. 2 - Eversource Energy Partial Development and Management ("D&M") Plan: **Provision of Information Pursuant to Reporting Requirement Item Nos. 1 and 2 of the Partial D&M Plan approval**

Dear Attorney Bachman:

On June 11, 2026, the Connecticut Siting Council ("Council") approved Eversource Energy's ("Eversource's") Partial Development and Management (D&M) Plan for the electrical interconnections to the United Illuminating Company's above-referenced Old Town Substation Rebuild Project. In accordance with the reporting requirements defined in the Regulations of Connecticut State Agencies §16-50j-62 and as listed in the Council's approval of the Partial D&M Plan, Eversource provides the following:

Reporting Item No.1: Contact information for the personnel of the contractor assigned to facility construction.

Contractor:	Michels Power, Inc.
Project Manager:	Jamie Cross
Contact information:	959-230-4058 (office); 413-522-8908 (cell); jcross2@michels.us

Reporting Item No. 2: Notification of the commencement of construction.

Project activities are planned to commence during the first week of November 2026.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Deborah Denfeld
