Re: Docket No. 492 - Gravel Pit Solar Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 120-megawatt-AC solar photovoltaic electric generating facility on eight parcels generally located to the east and west of the Amtrak and Connecticut Rail Line, south of Apothecaries Hall Road and north of the South Windsor town boundary in East Windsor, Connecticut and associated electrical interconnection

Dear Ms. Bachman:

I am writing on behalf of my client, Gravel Pit Solar, in connection with the above-referenced Docket. Pursuant to Item No. 5 of the Council's Approval, the Council required the Certificate Holder to provide written notice to the Council of the completion of site construction and the commencement of substation operation.

This letter will serve to inform the Council that on April 2, 2025, the Gravel Pit Solar facility as approved in Docket 492 has achieved commercial operation.

Thank you in advance for your attention to this submission. Should you have any questions concerning this submittal, please contact me at your convenience. I certify that copies of this submittal have been made to all parties on the Docket's Service List as of this date.

Sincerely,

A handwritten signature in black ink that reads "Lee D. Hoffman". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
