Re: Docket No. 483 – The United Illuminating Company Application for a Certificate of Environmental Compatibility and Public Need for the Pequonnock Substation Rebuild Project- Construction Completion Notification

Dear Ms. Bachman:

Pursuant to the Connecticut Siting Council's (the "Council") application Decision and Order dated October 12th, 2018, United Illuminating (UI) wishes to inform the Council that the final transmission line cutover has been completed. The newly constructed Pequonnock Substation is now considered 100% in-service and operational as of July 28th, 2025.

Should the Council have any questions regarding this filing, please do not hesitate to contact me.

Respectfully submitted,

Richard Pinto
