May 13, 2011

TO: Parties and Intervenors

FROM: Linda Roberts, Executive Director 

RE: **PETITION NO. 980** - BNE Energy, Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 3.2 MW Wind Renewable Generating facility located at 178 New Haven Road, Prospect, Connecticut.

---

At the energy/telecommunications meeting held in New Britain on May 12, 2011, the Connecticut Siting Council voted to deny the objection filed by FairwindCT, Inc. dated April 29, 2011 to the participation of Chairman Stein in the deliberations and vote on this petition.

Also during the meeting, in response to an Objection to the Participation of Vice Chairman Tait in the deliberations and vote on this petition filed by the petitioner on May 11, 2011, Vice Chairman Tait immediately recused himself to avoid even the appearance of impropriety, rendering the objection moot.

LR/CMW/RDM/laf
