RE: **PETITION NO. 805** - Ansonia Generation LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance, and operation of a 58.4 MW combined heat and power natural gas-fired electric generating facility and transmission line tap located at 75 Liberty Street, Ansonia, Connecticut.

Dear Mr. Small and Mr. Kozlik:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than April 27, 2007. To help expedite the Council's review, please file individual responses as soon as they are available.

Please forward an original and 15 copies to this office and a .pdf file on a compact disc. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. Fewer copies of bulk material may be provided as appropriate.

Yours very truly,

S. Derek Phelps
Executive Director

PRE-HEARING INTERROGATORIES
PETITION NO. 805 - ANSONIA
ANSONIA GENERATION LLC
APRIL 13, 2007

1. Provide a detailed drawing of the Ansonia Copper & Brass property, with existing buildings shown.
2. Provide detailed drawings of the locations of the proposed equipment and other project components.
3. Would all existing equipment in the Flat Wire Mill building be removed for the installation of the proposed project?
4. What is the total length of the proposed transmission line tap?
5. How many 115-kV lines would be installed for the proposed project?
6. Did AnGen receive any comments from the Town of Ansonia or state or federal officials?
7. When did AnGen provide opportunity for local residents and businesses to meet with AnGen officials to discuss the facility, as stated on page 11 of the petition? What were the comments and results of that meeting?
8. Has AnGen confirmed with the Connecticut Department of Environmental Protection that there are no known threatened or endangered animal or plant species or significant habitats (as stated on page 14 of the petition)? If so, please submit correspondence.
9. Has AnGen confirmed with the Connecticut Historical Commission that there are no known areas of historic or prehistoric significance (as stated on page 14 of the petition)? If so, please submit correspondence.
10. What are the hourly and annual National Ambient Air Quality Standard thresholds for each of the pollutants listed in Table 1?
