Re: Petition No. 841, Bridgeport Energy II, LLC

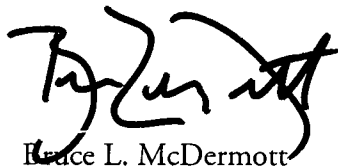

Dear Mr. Phelps:

The United Illuminating Company ("UI") has reviewed the Connecticut Siting Council's draft findings of fact dated May 1, 2008. UI appreciates the Council's efforts in preparing such thorough findings and offers the following comment on the draft:

Draft Findings of Fact 60: UI suggests the addition of the bolded language and the deletion of the bracketed language: "BEII is currently in discussions with UI regarding the line tap. The line tap is not part of this Petition. [It is anticipated that UI will file a future petition with respect to the line tap, but no] **No agreement has yet been reached between BEII and UI as to which party will file a future petition with respect to the line tap.** (BEII 1, 6; Tr. 1, p. 11)"

Please do not hesitate to call me if you have any questions concerning this UI filing.

Very truly yours,

Bruce L. McDermott
