Re: **PETITION 907** – Petition of Montville Power LLC for a Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is required for the retro-fit and operation of a 40 MW Biomass-Fueled Generation Unit at the Montville Station in Uncasville, Connecticut.

Dear Mr. Phelps:

The Connecticut Light and Power Company hereby consents to extend the deadline for rendering a decision to any time preferred by the Connecticut Siting Council (Council) or Montville Power LLC in the Council's Petition 907, Petition of Montville Power LLC for a Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is required for the retro-fit and operation of a 40 MW Biomass-Fueled Generation Unit at the Montville Station in Uncasville, Connecticut. Service has been made to the service list by mail and e-mail where an e-mail address has been provided. Enclosed are 21 copies of this consent.

Would you please stamp one copy of the enclosed consent as filed by the Council and return it to me in the enclosed stamped, self-addressed envelope. Thank you.

Very truly yours,

Robert S. Golden Jr.
