Re: Petition No. 973  
North Atlantic Towers, LLC and New Cingular Wireless PCS, LLC ("AT&T")  
Request for Extension of Time to Make AT&T's Facility Operational  
880 Andrew Mountain Road, Naugatuck, Connecticut

Dear Ms. Bachman:

This letter is submitted on behalf of New Cingular Wireless PCS LLC ("AT&T") to respectfully request an extension to August 31, 2014 for AT&T's facility on the above referenced tower to become operational. As noted in our April 7, 2014 correspondence, AT&T's facility is installed on the tower located at 880 Andrew Mountain Road. However, additional time is needed for the provisioning required for AT&T's facility to be operational and providing wireless services.

Please note that the supervisor for all construction related matters for AT&T's facility is Bryon Morawski of SAI. Mr. Morawski is located at 500 Enterprise Drive, Suite 3A, Rocky Hill, CT 06067 and can be reached by telephone at (860) 513-7223.

Thank you for your consideration of this request.

Very truly yours,

Lucia Chiochio
