PETITION NO. 980 – BNE Energy, Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance and operation of a 3.2 MW Wind Renewable Generating facility located at 178 New Haven Road, Prospect, Connecticut.

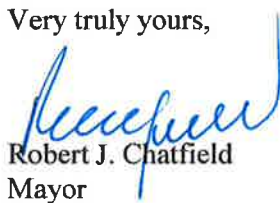

Dear Ms. Roberts:

Because the BNE did not appear formally before the Town of Prospect's land use agencies the Town believes it is imperative that the following items be made part of the Connecticut Siting Council's record in this Petition. The Town of Prospect requests that the following items be entered into the Connecticut Siting Council's record of BNE's Petition for a Declaratory Ruling: Petition No. 980:

- A copy of the Resolution of the Prospect Town Council adopted December 14, 2010 entitled, Resolution of the Prospect Town Council Regarding Wind Turbines
 - Letter from the Town of Prospect's Inland Wetlands Commission, Dated February 7, 2011
 - Letter from the town of Prospect's Planning and Zoning Commission, Dated February 2, 2011
 - A duly certified copy of the Town of Prospect's Noise Ordinances: An Ordinance Providing For The Reduction or Elimination Excessive Noise and Administration Thereof
- The Town has provided 25 copies for the Connecticut Siting Council's records and copies have been sent to the service list.

The Town of Prospect understands that the Petitioner has "bulk Filed" complete copies of Prospect's Planning & Zoning Regulations, a complete set of Prospect's Inland Wetland Regulations and a complete copy of Prospect's Plan of Conservation and Development that will also be entered into the record of these proceedings.

Very truly yours,

Robert J. Chatfield
Mayor
