FROM: Linda Roberts, Executive Director *LR*

RE: **PETITION NO. 983** - BNE Energy, Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 4.8 MW Wind Renewable Generating facility located on Flagg Hill Road, Colebrook, Connecticut.

PETITION NO. 984 - BNE Energy, Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 4.8 MW Wind Renewable Generating facility located on Winsted-Norfolk Road (Route 44), Colebrook, Connecticut.

During the public meeting of the Connecticut Siting Council (Council) held on May 19, 2011, Mr. Daniel P. Lynch, Jr. recused himself from the deliberations and votes on the above-referenced petitions to avoid any alleged appearance of impropriety related to a letter received by the Council on March 10, 2011 from U.S. Representative John B. Larson.
