RE Petition No. 983 – BNE Energy, Inc. — “Wind Colebrook South”  
Notice of CEPA Intervention as a Party

Kristin M. Mow and Benjamin C. Mow

Dear Ms Roberts:

As you know, Kristin M. Mow and Benjamin C. Mow of 12A Greenwoods Turnpike, Colebrook, Connecticut have been granted party status in the above-referenced proceeding.

In their petition for party status the Mows cited numerous environmental concerns, in addition to various sections of the Connecticut General Statutes and Regulations of the Siting Council. The Connecticut Environmental Protection Act, CGS §§ 22a-19 and 22a-20 provide that in an administrative proceeding such as this action, any person may intervene as a party on the filing of a verified pleading asserting that the proceeding involves conduct which has, or which is reasonably likely to have, the effect of unreasonably polluting, impairing or destroying the public trust in the air, water or other natural resources of the state.

Attached is such a verified notice of intervention for the Mow's in this matter. Please consider this verified pleading as an amendment to the Mows' request for party status and clarification that the Mow's are CEPA intervenors in this matter.

Should you have questions please contact me. Thank you,

Yours truly,

Richard T. Roznoy
