RE: Commentary on Development & Management Plan for Petition 983

Dear Ms. Roberts:

I write on behalf of FairwindCT, Inc., Michael and Stella Somers, and Susan Wagner (the "Grouped Parties").

The Grouped Parties request additional time to review and comment on the Development and Management Plan provided by BNE Energy, Inc., for Petition 983. Given the large size of the D&M Plan and the fact that it is not yet complete, the Grouped Parties wish to be given until November 11, 2011 to submit comments.

Furthermore, until the D&M Plan is complete, the Grouped Parties request that the Connecticut Siting Council not draw any conclusions or make any final decisions on the D&M Plan. No decision to determine the overall adequacy of the D&M Plan as long as it remains
