RE Petition No. 983 – BNE Energy, Inc. — “Wind Colebrook South”
Notice of CEPA Intervention as a Party

Robin L. Hirtle

Dear Ms Roberts:

As you know, Robin L. Hirtle of 29-A Flagg Hill Road, Colebrook, an abutter to the subject property, has been granted party status in the above-referenced proceeding.

In her petition for party status Ms Hirtle cited numerous safety and environmental concerns, in addition to various sections of the Connecticut General Statutes and Regulations of the Siting Council. The Connecticut Environmental Protection Act, CGS §§ 22a-19 and 22a-20 provide that in an administrative proceeding such as this action, any person may intervene as a party on the filing of a verified pleading asserting that the proceeding involves conduct which has, or which is reasonably likely to have, the effect of unreasonably polluting, impairing or destroying the public trust in the air, water or other natural resources of the state.

Attached is such a verified notice of intervention for Ms Hirtle in this matter. Please consider this verified pleading as an amendment to her request for party status and clarification that she is a CEPA intervenor in this matter.

Should you have questions please contact me. Thank you,

Yours truly,

Richard T. Roznoy
