RE: **PETITION NO. 984** - BNE Energy, Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 4.8 MW Wind Renewable Generating facility located on Winsted-Norfolk Road (Route 44), Colebrook, Connecticut.

Dear Madams:

Pursuant to General Statutes § 16-50o(b), " A copy of the transcript of testimony at the hearing shall be filed at an appropriate public office, as determined by the Council, in each county in which the facility or any part thereof is to be located."

The Council has determined that the Town Clerk's Office in the Colebrook, Winchester and Norfolk Town Halls are an appropriate public office for filing a copy of the transcript in Litchfield County.

Enclosed please find the transcripts on the subject petition dated May 5, 2011.

Yours very truly,

Linda Roberts
Executive Director
