

STATE OF CONNECTICUT  
CONNECTICUT SITING COUNCIL

Petition of BNE Energy, Inc. for a  
Declaratory Ruling for the Location,  
Construction and Operation of a 4.8 MW  
Wind Renewable Generating Project on  
Winsted-Norfolk Road in Colebrook,  
Connecticut ("Wind Colebrook North")

Petition No.984

APRIL 6, 2011

TOWN OF COLEBROOK'S SECOND SET OF  
INTERROGATORIES TO BNE ENERGY, INC.

The Town of Colebrook ("Colebrook") requests that the  
Petitioner, BNE Energy, Inc. ("BNE") respond to the following  
interrogatories:

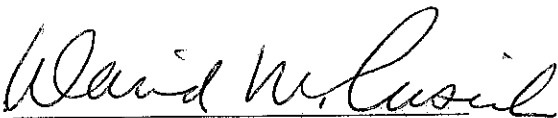

1. In your Petition for a Declaratory Ruling, you indicate that as a benefit of the project the Town of Colebrook will receive "significant tax revenue"; please state the approximate dollar amount that such tax revenue would have been for the 2010-2011 fiscal year if the three wind turbines, other improvements associated therewith and the land dedicated thereto had been in service on October 1, 2009.

2. If the three wind turbines, other improvements associated therewith and the land dedicated thereto had been in service on October 1, 2010, what would the fair market value of such assets have been?

3. Do you expect that the fair market value of the three wind turbines, other improvements associated therewith and the land dedicated thereto as of the date the same are put into service would decrease in each assessment year thereafter and, if so, by what factor?

4. Why have you not attempted to enter into a Host Community Agreement/Payment in Lieu of Taxes Agreement with the Town of Colebrook, which would address, inter-alia, payments to the Town should there be changes to Connecticut law resulting in the three wind turbines, other improvements associated therewith, the land dedicated thereto (or any of the foregoing) becoming exempt from municipal assessment/taxation?

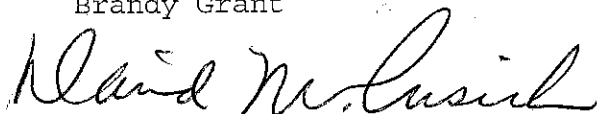

5. If you do not enter into a Host Community Agreement/Payment in Lieu of Taxes Agreement with the Town of Colebrook during the course of these proceedings, do you consent to the inclusion by the Siting Council as a condition of any approval that the Town of Colebrook be financially protected should there be changes to Connecticut law resulting in the three wind turbines, other improvements associated therewith, the land dedicated thereto (or any of the foregoing) becoming exempt from municipal assessment/taxation?
