Notice of CEPA Intervention as a Party- Brandy Grant

Dear Ms Roberts:

I, Brandy Grant of 12B Greenwoods Turnpike, Colebrook, Connecticut request Intervenor Status in the above-referenced proceeding.

In my petition for party status, I cited numerous environmental concerns, in addition to various sections of the Connecticut General Statutes and Regulations of the Siting Council. The Connecticut Environmental Protection Act, CGS §§ 22a-19 and 22a-20 provide that:

in all administrative proceeding such as this action: any person may intervene as a party on the filing of a verified pleading asserting that the proceeding involves conduct which has, or which is reasonably likely to have, the effect of unreasonably polluting, impairing or destroying the public trust in the air, water or other natural resources of the state.

Attached is such a verified notice of intervention for myself in this matter. Please consider this verified pleading as amendment to my request for party status and clarification that I am a CEPA intervenor in both petition 983 and 984.

Thank you,

Brandy Grant
