RE: **2012-054A** – **CSC WIND REGULATIONS** – Adoption of Regulations pursuant to
Public Act 11-245, An Act Requiring the Adoption of Regulations for the Siting of Wind
Projects, Sections 16-50j-2a, 16-50j-18 and16-50j-92 to 16-50j-96, inclusive, of the
Regulations of Connecticut State Agencies.

Dear Ms. Booth:

Pursuant to Subsection (f) of Section 4-170 of the Connecticut General Statutes, the Connecticut
Siting Council (Council) hereby regretfully submits written explanation as to why the Council has
not complied with the time limits under Subsection (e) of Section 4-170 of the Connecticut
General Statutes, which states, in part, "If the committee rejects a proposed regulation without
prejudice… the agency shall resubmit the regulation in revised form, if the regulation is required
by the general statutes or any public or special act, not later than the first Tuesday of the second
month following the rejection without prejudice…"

The adoption of the above-referenced regulation is mandated by Section 16-50kk of the
Connecticut General Statutes. The original proposed regulation was submitted to the Regulation
Review Committee (Committee) on October 25, 2012 and was rejected without prejudice by the
Committee on December 18, 2012.

At this time, the Attorney General's Office continues to conduct a legal sufficiency review of the
proposed resubmission of the regulation in accordance with Section 4-169 of the Connecticut
General Statutes. As of this date, the Attorney General's Office has not given notice to the
Council of any legal insufficiency of the proposed resubmission of the regulation.

The Council apologizes for any inconvenience this may have caused.

Sincerely,

Robert Stein
Chairman
