Dear John Coleman:

The Connecticut Siting Council (Council) is in receipt of your letter dated November 8, 2022 submitted on behalf of Verizon, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby grants an extension of time until September 21, 2023 to submit a notice of completion of construction.

This extension is granted with the understanding that the Council will be notified should Verizon need additional time to submit a notice of completion or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

CDC – DL Siting Council,

Please accept this email as a formal request to extend the approval decision for Verizon Wireless' Exempt Modification at the subject site. Due to delays associated with supply chain/pandemic related issues prevented Verizon from moving forward with construction of this project. Verizon is prepared to proceed and complete this construction at their earliest convenience as weather permits, but no later than 6/30/2023.
