Dear Ms. Miller,

B+T Group is pleased to submit this “Final Construction Completion Affidavit” regarding the above-mentioned Monopole.

We reviewed the photographs of the telecommunications equipment installed on the Monopole, taken on November 11, 2021. Based on the photographs provided and the As-built drawings dated November 22, 2021, this telecommunications site has the following antennas and associated equipment installed in three sectors on the Monopole.
