Re: New Cingular Wireless PCS, LLC (AT&T)
Exempt Modification Conditions
Notification of Completion-Extension Request

Dear Executive Director Bachman:

On behalf of our client, New Cingular Wireless PCS, LLC ("AT&T") we respectfully request an extension of time to September 1, 2017 for responses regarding the your April 6 Exempt Modification and Tower Request Conditions and Notifications of Completion – 1st Quarter 2016 letter and the sites included on the attached list. We continue to address this request through various vendors however, the demands of month-end and quarter-end reporting have otherwise limited resources that can be dedicated to this follow-up. While we will endeavor to have this completed in the month of July we are requesting an extension to September 1st in case summer schedules create further unexpected delay.

Thank you in advance for your consideration of this request.

Very truly yours,

Daniel M. Laub
