RE: TS-DISH-002-220722 - Dish Wireless, LLC request for an order to approve tower sharing at an existing telecommunications facility located at 1 Deerfield Lane, Ansonia, Connecticut.

EM-DISH-002-220722 - Dish Wireless, LLC notice of intent to modify an existing telecommunications facility located at 1 Deerfield Lane, Ansonia, Connecticut.

Dear Ms. Sabo:

The Connecticut Siting Council (Council) received the request for an order to approve tower sharing at an existing telecommunications facility located at the above-referenced address in Ansonia on July 22, 2022.

Please be advised that the telecommunications facility located at 1 Deerfield Lane, Ansonia currently has Dish equipment from a tower share approval in 2019. The July 22, 2022 tower share request indicates that Dish intends to replace its existing telecommunications equipment that is currently installed

Such a request qualifies as a request for an exempt modification rather than a tower share request.

Therefore, this July 22, 2022 tower share request will be processed as an exempt modification request.

The new identification number for the subject request for an exempt modification is EM-DISH-002-220722 as indicated above.

Thank you for your attention to this very important matter.

Sincerely,

Melanie Bachman
Executive Director

MAB/RDM/laf
