Re: **EM-VER-005-130322 – Cellco Partnership d/b/a Verizon Wireless**
44 Gavitt Road, Barkhamsted, Connecticut

Dear Ms. Bachman:

On April 23, 2013, the Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facility at 44 Gavitt Road in Barkhamsted. The modifications involved the installation of new antennas and remote radio heads.

As a condition of the acknowledgement, Cellco was required to provide the Council with a letter stating that the recommendations specified in the structural report were implemented. Attached is a Tower Modification Certification Letter verifying that these conditions have been satisfied. All construction associated with these modifications has now been completed.

If you have any questions please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ken Baldwin".

Re: Tower Modification Certification

Project: Verizon Barkhamsted NE
44 Gavitt Road, Barkhamsted, CT

Tower Owner: SBA Communications
5900 Broken Sound Parkway NE, Boca Raton, FL

Engineer: FDH Engineering
6521 Meridien Drive, Raleigh, NC

Centek Project No.: 14006.154

Dear Mr. Gauger,

We are providing this "Tower Modification Certification" with regard to the structural components at the above referenced project.

The following are the basis for substantiating compliance with the FDH Engineering structural analysis report (FDH Project No. 1312971400) dated March 1, 2013:

- ☐ Review of the FDH structural analysis report dated 03/01/2013.
- ☐ Field observations by Centek personnel of the coax and RRH installation on 08/20/2014 which determined all coax lines and RRH's were installed in general compliance with the recommendations of the structural analysis report prepared by FDH Engineering on 03/01/2013.

The work under this Contract has been reviewed and found, to the Engineer's best knowledge, information and belief, to be completed in general compliance with the documents referenced above.

Sincerely,

Carlo F. Centore, PE
Principal ~ Structural Engineer
