Re: **Notice of Exempt Modification – Facility Modification
8 Sky Edge Lane, Bethel, Connecticut**

Dear Attorney Bachman:

On March 14, 2022, Cellco Partnership d/b/a Verizon Wireless (“Cellco”) filed a Notice of Exempt Modification with the Siting Council for certain modifications to its existing facility at the above referenced address. It was recently brought to our attention that Eversource has requested revisions to the modification plans submitted in the Cellco filing. The plans are in the process of being revised and will be submitted to your office once they are completed.

Cellco, therefore, consents to an extension of the time period within which the Council must render a decision on the above-referenced filing.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
