RE: **EM-T-MOBILE-011-220428** – T-Mobile notice of intent to modify an existing telecommunications facility located at 28 Brewer Drive, Bloomfield, Connecticut.

Dear Mr. Barbadora:

The Connecticut Siting Council (Council) received notices of intent to modify the above-referenced facility on April 28, 2022.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed the exempt modification request for completeness and has identified a deficiency in the submittal. No construction drawings are included with the request for exempt modification.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Crown Castle provide construction drawings for the proposed equipment that is stamped and signed by a professional engineer duly licensed in the State of Connecticut on or before June 23, 2022. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to June 23, 2022. **Please provide an electronic version and one hard copy of the response for the incomplete request to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
