Re: Notice of Exempt Modification Application extension request
Polly Lane, Bozrah, CT 06334

July 20, 2018

Dear Ms. Bachman:

I am submitting this extension request for the tower location to the CT Siting Council and received a notice that the Structural Analysis does not accurately incorporate the modified mounting apparatus. I would like to request an extension for resubmittal of the revised structural analysis incorporating the mounting apparatus modifications, as I do not expect to have the revised document back before the deadline of July 25. I am therefore requesting an additional 30 day extension of time for the filing for the revised structural analysis. Please advise if you can approve that extension. Thank you.

If you have any questions, please feel free to contact me.

Thank you,

By: *Paul F. Sagristano*
