LETTER OF COMPLIANCE**

To whom it may concern,

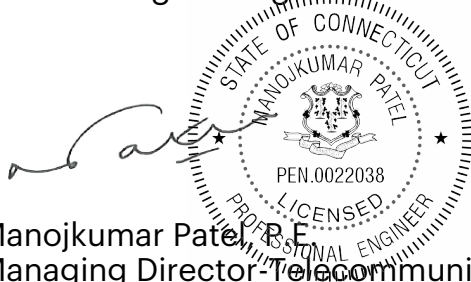

Tectonic Engineering Consultants, Geologists & Land Surveyors, D.P.C. (Tectonic) has completed a final inspection of the antenna upgrade work for T-Mobile for the above-mentioned location. The drawings that were used for this inspection were issued by Tectonic "Per Client Comments", Revision 5, dated 08/15/2023.

Based on the result of this inspection and our review of the corrective photos provided by the general contractor we have determined that the work was found to be generally in compliance with the above referenced drawings with a few minor field changes that were deemed acceptable. Tectonic respectfully requests that the Certificate of Occupancy/Approval be issued for this permit.

Should you have any questions, please do not hesitate to contact Greg Lahey, Tectonic's Project Manager, at 914-475-4950.

Sincerely,

Tectonic Engineering Consultants, Geologists & Land Surveyors, D.P.C.
