RE: **EM-UI-015-160930e** – The United Illuminating Company notice of intent to modify an existing energy facility located at 120 Henry Street, Bridgeport, Connecticut.

Dear Ms. Hicks:

The Connecticut Siting Council (Council) is in receipt of your letter dated August 23, 2018, submitted on behalf of The United Illuminating Company, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a second one-year extension of time until October 24, 2019, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

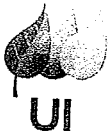

This extension is granted with the understanding that the Council will be notified should The United Illuminating Company need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Re: **EM-UI-015-160930e** – The United Illuminating Company notice of intent to modify an existing energy facility located at 120 Henry Street, Bridgeport, Connecticut – **Request for Extension**

Dear Chairman Stein:

The United Illuminating Company (“UI”) submits this Request for Extension pursuant to Condition 5 of the Connecticut Siting Council’s (“Council”) October 24, 2016 Acknowledgement in the above captioned letter. Due to scheduling constraints that are preventing PSEG Power Connecticut LLC from accomodating UI’s currently scheduled outage dates (reference Petition No. 1218), UI requests an extension to complete construction.

Please do not hesitate to contact me with any questions or concerns in regard to this request at (203) 499-2586. Thank you for your consideration.

Sincerely,
