RE: **EM-VER-015-210819** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 1000 Trumbull Avenue (a/k/a Chopsey Hill Road), Bridgeport, Connecticut.

Dear M. J. Umali:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on August 19, 2021. Council staff reviewed this request for completeness and had identified a deficiency that was more fully described in a notice of incompleteness letter to the requesting entity dated August 25, 2021, and recommended that a valid filing fee check in the amount of \$625.00 be submitted by September 25, 2021. To date the Council has not received the required filing fee.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

A handwritten signature in black ink, appearing to read 'Melanie Bachman'.

Melanie Bachman
Executive Director

RE: **EM-VER-015-210819** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 1000 Trumbull Avenue (a/k/a Chopsey Hill Road), Bridgeport, Connecticut.

Dear M. J. Umali:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 19, 2021.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

The Council is not able to process or accept this request for exempt modification as the filing fee check #27475 was returned by the bank for stop payment. A copy of the documentation received from the bank is attached.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that a valid filing fee check in the amount of \$625 be submitted by September 25, 2021. If additional time is needed to submit the requested filing fee, please submit a written request for an extension of time prior to September 25, 2021.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director
