RE: **EM-VER-015-210819** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 1000 Trumbull Avenue (a/k/a Chopsey Hill Road), Bridgeport, Connecticut.

Dear M. J. Umali:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 19, 2021.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, “...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect.”

The Council is not able to process or accept this request for exempt modification as the filing fee check #27475 was returned by the bank for stop payment. A copy of the documentation received from the bank is attached.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that a valid filing fee check in the amount of \$625 be submitted by September 25, 2021. If additional time is needed to submit the requested filing fee, please submit a written request for an extension of time prior to September 25, 2021.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director
