RE: **EM-AT&T-017-130219**— New Cingular Wireless PCS, LLC notification of completion of construction at 371 Terryville Avenue, Bristol, Connecticut.

Dear Ms. Bachman:

This letter is submitted on behalf of New Cingular Wireless PCS, LLC (“AT&T”), whose notice of intent to modify an existing telecommunications facility was acknowledged by the Connecticut Siting Council (“Council”) on March 8, 2013.

Please accept this letter as notification of completion of construction by AT&T as required as a condition of the Council’s acknowledgement. In addition, please refer to the attached documentation from AT&T’s Engineer confirming that the installation was completed as designed.

Respectfully Yours,

A handwritten signature in dark brown ink that reads "Megan Boylan".

Megan Boylan
Project Coordinator

Re: AT&T Post Tower Modification Certification
Site No: CT5833 (LTE W4)
Site Name: Milford – Bristol Center
Site Address: Off Terryville Avenue, Bristol, CT
FA Number: 10070954

Dear Mr. Roberts:

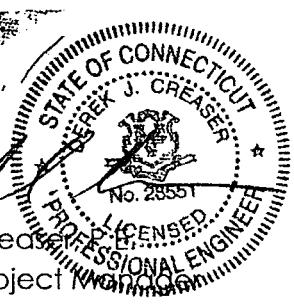

Hudson Design Group, LLC (HDG) conducted a site visit at the 168.5' monopole tower located off Terryville Avenue, Bristol, CT. The site visit took place on November 13, 2013 by Nick Marshall. The purpose of the visit was to verify modifications, required for the antenna changes proposed by AT&T, were satisfactorily completed. The tower modifications were observed for conformance with the reinforcement drawings prepared by GPD Group on February 08, 2012.

The tower modifications have been properly completed and a post construction tower rating below 100% has been achieved.

Should you need further clarification or additional information please contact this office.

Sincerely,

Derek J. Creaser
Senior Project Manager
