To Whom It May Concern,

Jacobs Telecommunications, Inc. has conducted a post constructive review of the above-mentioned site. Jacobs Telecommunications, Inc. has prepared the drawings for the above-mentioned site and as such, we have conducted a final review of the installation scope on the tower for the sole purpose to verify that the installation on the tower was completed in accordance with the plans.

Based on our review of the contractor-provided as-built mark-ups, closeout photos, and engineering drawings for this site completed by Jacobs Telecommunications (Revision 1, dated 05/17/19), the installation scope of work on the tower was built on general conformance with the plans as prepared by Jacobs Telecommunications, Inc.

Please feel free to contact me if you have any questions or require additional information.

Sincerely,

Earl Stände, PE
