RE: EM-EVER-017-200423 – Voice Radio, Bristol  
Request for Extension

Dear Ms. Bachman:

The Connecticut Light and Power Company doing business as Eversource Energy (“Eversource”) received acknowledgement from the Connecticut Siting Council (“Council”) on May 11, 2020, that Eversource’s proposed modifications to an existing telecommunications facility located at 790 Willis Street in Bristol would comply with the exempt modification criteria in Section 16-50j-57 of the Regulations of Connecticut State Agencies. In its acknowledgement, the Council included conditions regarding the modification work, including, specifically the following:

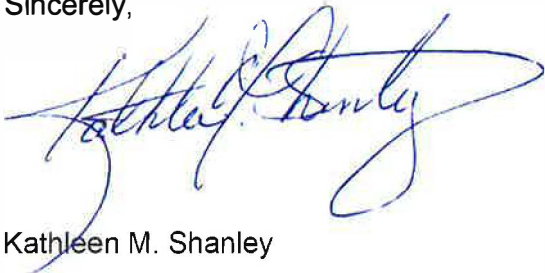

- The petitioner may file a request for an extension of time beyond the one-year deadline, provided that such request is submitted to the Council not less than 60 days prior to the expiration.

Due to the construction schedule being delayed, Eversource hereby requests that the one-year deadline to complete these activities be extended to November 11, 2021.

Two copies of this Request for an Extension will be mailed to your office.

Thank you for your attention to this matter. If you have any questions or comments, please call me at (860) 728-4527.

Sincerely,

Kathleen M. Shanley
