RE: **EM-T-MOBILE-018-200902** – T-Mobile notice of intent to modify an existing telecommunications facility located at 39 Carmen Hill Road, Brookfield, Connecticut.

Dear Mr. Richers:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on September 2, 2020. On September 15, 2020, the Council issued a letter stating that the request for exempt modification was incomplete because the construction drawings (CD) and the property card provided referenced the wrong address. The Council recommended that Transcend Wireless provide a property card and CD that reference the correct address for the subject facility, on or before October 16, 2020.

On September 2, 2020, the Council received an electronic mail with a CD and property card that both referenced the correct address for the underlying property. However, staff observed further deficiencies in the Mount Analysis (MA) prepared by Centek Engineering and dated July 7, 2020 (Rev.1). The MA references the replacement of the antenna mounting frames. This mount modification or replacement is not referenced in the structural analysis (SA) and CD.

Therefore, the exempt modification request remains incomplete at this time. The Council recommends that Transcend Wireless provide a SA and CD that reference the proposed mount modifications or a revised MA that is consistent with the SA and CD, on or before November 6, 2020. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to November 6, 2020. **Please provide an electronic version of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

s/ Melanie A. Bachman
