To Whom It May Concern:

Dewberry Engineers Inc. (Dewberry) is providing a letter of compliance for the above referenced project. All inspections were limited to aspects of installation visual from ground level following construction activities & contractor provided photos. The following are the basis for substantiating compliance with the modification:

- August 20, 2024– Field Report #1 (By Dewberry)
- December 23, 2023 – Mount Analysis (By Colliers Engineering & Design)
- January 22, 2024 –Rev-0 Construction Drawings (By Dewberry)
- January 22, 2024 – Tower Structural Analysis Report (By American Tower Corporation)
- September 20, 2024 - Mount Post-Modification Inspection Report (By Colliers Engineering & Design)

Based on visual observations, it appears that the project is constructed in general conformance with the applicable plans and specifications. If you have any questions, please do not hesitate to contact Dewberry Engineers Inc.

Sincerely,  
**Dewberry Engineers Inc.**
