RE: AT&T Exempt Modifications - Requests for Extensions of Construction

Dear Aja Chase:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated April 4, 2024, submitted on behalf of AT&T requesting extensions of time to submit notices of completion of construction for the exempt modifications listed (see attached).

The Council hereby grants an extension of time until April 4, 2025, to submit notices of completion of construction.

The extensions are granted with the understanding that the Council will be notified should AT&T need additional time to submit notices of completion or decides not to proceed with construction on any of the above-referenced exempt modifications.

Thank you for your attention to this matter.

Sincerely,
