RE: **EM-T-MOBILE-023-220608** - T-Mobile notice of intent to modify an existing telecommunications facility located at 14 Canton Springs Road, Canton, Connecticut.

Dear Eric Breun:

The Connecticut Siting Council (Council) received a notice of completion of construction for the above-referenced facility dated April 27, 2023. Thank you for providing this information.

On April 19, 2023, the Council issued a memorandum requiring completion notices to include a representative photograph of the facility modification. Please see attached memorandum.

Therefore, the completion notice is not in compliance with the April 19, 2023 requirement.

The Council recommends that T-Mobile provide the above referenced representative photograph on or before June 5, 2023. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to June 5, 2023.

If you have any questions or concerns, please call the Council office at 860-827-2935.

Thank you for your attention to this matter.

Sincerely,

Melanie Bachman
Executive Director

To Whom It May Concern:

Elevated Engineering, PLLC ("Elevated") conducted a site inspection on April 19, 2023 to determine installation compliance with the construction documents for the T-Mobile initiative for the above referenced site. Reference documents are as follows:

- Construction Drawings by American Tower dated 05/04/22.
- Structural Analysis Report by American Tower dated 04/07/22.
- Mount Analysis Report by American Tower dated 04/05/22.

It was determined that the equipment was installed as intended on the construction documents. Therefore, based on the aforementioned, this site **is in compliance** with the drawings.

The conclusions reached in this evaluation are only applicable for the equipment described above. There is no qualification made or implied by this report for existing conditions not involved with the upgraded equipment.

If you have any questions or require additional information about this matter, please contact me at our Morris Plains NJ office at 862-242-8050.

Sincerely,
Elevated Engineering, PLLC
