RE: **EM-T-MOBILE-023-210923** - T-Mobile notice of intent to modify an existing telecommunications facility located 309 East Hill Road (f/k/a Hoffman Road), Canton, Connecticut.

Dear Mr. Breun:

The Connecticut Siting Council (Council) received this notice of intent to modify the above-referenced facility on September 23, 2021.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified deficiencies in the request.

The property card for 4 Hoffmann Road was provided with the request. The facility is located at 309 East Hill Road. Thus, the above referenced request for exempt modification lacks proof that the entire request was physically mailed to the correct underlying property owner.

Therefore, this exempt modification request is incomplete at this time. The Council recommends that Transcend Wireless provide the correct property card for 309 East Hill Road and provide proof of proper notice to the correct underlying property owner for the facility, on or before December 6, 2021. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to December 6, 2021. **Please provide an electronic version and one hard copy of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
