Good morning,

Verizon is requesting a 2nd approval extension on

EM-VER-025-211029 1338 Highland Avenue, Cheshire, CT

Verizon is planning on starting construction on or around August 1, 2024. Once we have the extension, I will send a construction start notification.

The original extension approval is attached. I apologize for the delay in requesting this extension. Just when I think we have taken care of them all, another one shows up.

Should you need any further information concerning this request, please reach out to me at any time. I appreciate your consideration.
