Mr. David S. Malko, P.E.
Manager, Engineering & Regulatory Services
METRO MOBILE
50 Rockland Road
South Norwalk, CT 06854

RE: Metro Mobile CTS of New London, Inc., Notice of
Intent to Install Cellular Antennas and Related
Equipment on a tower Owned by the State of
Connecticut, Department of Public Safety in the
Town of Colchester, Connecticut.

Dear Mr. Malko:

At a meeting on April 30, 1990, the Connecticut Siting Council acknowledged your notice of intent to install cellular antennas and related equipment on an existing tower facility owned by the State of Connecticut, Department of Public Safety, in Colchester, Connecticut, pursuant to Section 16-50j-73 of the Regulations of State Agencies (RSA).

The proposed modifications are to be implemented as specified in your notices dated April 16 and 30, 1990. As proposed, the modifications are in compliance with the exception criteria specified in RSA 16-50j-72 as changes to an existing facility site that do not increase the tower height, extend the boundaries of the tower site, increase noise levels at the tower site boundary 6 decibels, and add radio frequency sending or receiving capability which increases the total radio frequency electromagnetic radiation power density measured at the tower site boundary to or above the standard adopted by the State Department of Environmental Protection pursuant to Section 22a-162 of the Connecticut General Statutes.

MR. DAVID S. MAIKO, P.E.
May 1, 1990
Page 2

The Council is pleased to note that the shared use of an existing tower meets the Council's long-term goal and the public interest to avoid proliferation of additional tower structures.

Please notify the Council upon completion of construction.

Very truly yours,
