RE: **EM-T-MOBILE-108-210604** - T-Mobile notice of intent to modify an existing telecommunications facility located at 48 Westchester Road, Colchester, Connecticut.
Notification of Completion Received/Additional Condition Requirement Outstanding.

Dear Ryan Clark:

The Connecticut Siting Council (Council) received a notice of completion of construction for the above referenced facility on October 3, 2022. Thank you for providing this information.

The Council approved the above referenced request for exempt modification in a Decision Letter dated June 28, 2021 (enclosed) with the following conditions:

1. Prior to T-Mobile's antenna installation, the antenna mount modifications shall be installed in accordance with the Mount Analysis prepared by Tower Engineering Solutions, dated April 26, 2021 and stamped and signed by Mustapha Assi; and
2. Within 45 days following completion of equipment installation, T-Mobile shall provide documentation certified by a Professional Engineer that its installation complied with the recommendations of the Mount Analysis.

The completion notice does not contain documentation certified by a Professional Engineer that T-Mobile's installation is in compliance with the Mount Analysis mentioned above.

Therefore, the completion notice is not in compliance with the conditions of approval at this time.

The Council recommends that T-Mobile provide the above referenced documentation on or before November 18, 2022. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to November 18, 2022.

If you have any questions or concerns, please call the Council office at 860-827-2935.

Thank you for your attention to this matter.

Sincerely,
