Dear Attorney Russell:

The Connecticut Siting Council (Council) is in receipt of your letter dated December 23, 2014, submitted on behalf of American Tower Corporation, providing the Council with the status of construction for exempt modifications and tower share requests approved by the Council.

The Council hereby grants a 60-day extension of time to submit a notice of completion of construction and associated post modification inspection reports for the above-referenced tower share requests to March 2, 2015.

This extension is granted with the understanding that the Council will be notified should American Tower Corporation need additional time beyond 60 days to submit a notice of completion and associated post modification inspection reports or decide not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,
