EM-CING-032-201106 - New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 712 Bread and Milk Street, Coventry, Connecticut.

Dear Karin Turner:

The Connecticut Siting Council (Council) is in receipt of your correspondence of November 1, 2023, submitted on behalf of AT&T, requesting an extension of time to submit the notice of completion of construction and associated post modification inspection report for the above-referenced exempt modification.

The Council hereby grants an extension of time until November 3, 2024, to submit a notice of completion of construction and associated post modification inspection report.

This extension is granted with the understanding that the Council will be notified should AT&T need additional time to a submit notice of completion and associated post modification inspection report, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,
