RE: Notice of Construction Start – Bulk Audit

To Whom It May Concern:

I spoke with Melanie Bachman on January 31st, 2023 about how my team performed a large audit and scrubbed through the CSC website to see if Construction Start Letters tied to our company were uploaded. I mentioned to her that I knew some letters were submitted via email individually but didn't appear to be uploaded as of 1/31/23.

I just checked the website again on all of these sites/projects and there are not Construction Start Letters uploaded as of 5:00pm on Thursday 2/23/2023.

Melanie mentioned that I could bulk submit these with (1) letter so please consider this correspondence as such. If it is preferred by the CSC for my team to individually submit letters for all of these projects, we can absolutely do that as well.
