Notice of Completion

Dear Acting Chairman Murphy:

On July 20, 2018, Eversource Energy (“Eversource”) received a declaratory ruling from the Connecticut Siting Council (“Council”) that Eversource’s proposed shared use of an existing tower located at 400 Riley Rd, Coventry, CT is technically, legally, environmentally and economically feasible and meets public safety concerns, and therefore, in compliance with Connecticut General Statutes Section 16-50aa. In its decision, the Council directed Eversource to provide notice to the Council within 45 days of the completion of work.

Eversource hereby notifies the Council that the proposed modifications were completed on January 17, 2019

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley". The signature is fluid and cursive, with a large loop at the end.
