Notice of Compliance with Conditions and Construction Completion

Dear Attorney Bachman:

The T-Mobile site referenced above was approved by The Connecticut Siting Council (Council) on April 5, 2021 as an Exempt Modification. T-Mobile is now requesting the close out of the approval and hereby acknowledges the following conditions were met:

1. Prior to T-Mobile's antenna installation, the antenna mount modifications shall be installed in accordance with the Mount Analysis prepared by GeoStructural, dated June 13, 2019 and stamped and signed by Gregory Durgin;
2. Within 45 days following completion of equipment installation, T-Mobile shall provide documentation certified by a Professional Engineer that its installation complied with the recommendations of the Mount Analysis;
3. Any deviation from the proposed modification as specified in this notice and supporting materials with the Council shall render this acknowledgement invalid;
4. Any material changes to this modification as proposed shall require the filing of a new notice with the Council;
5. The Council shall be notified in writing at least two weeks prior to the commencement of site construction activities;
6. Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed;

7. Any nonfunctioning antenna and associated antenna mounting equipment on this facility owned and operated by T-Mobile shall be removed within 60 days of the date the antenna ceased to function;
8. The validity of this action shall expire one year from the date of this letter; and
9. The applicant may file a request for an extension of time beyond the one year deadline provided that such request is submitted to the Council not less than 60 days prior to the expiration.

The attached PE Closeout Letter dated March 15, 2024 provides evidence of compliance with the conditions outlined by the Council. In addition, T-Mobile hereby notifies the Council that construction of the acknowledged modifications was completed as of June 25, 2021, please find attached photos of the completed modifications to this facility.

Sincerely,

Victoria Masse

To Whom It May Concern:

Elevated Engineering, PLLC ("Elevated") conducted a site inspection, to determine installation compliance with the construction documents for the T-Mobile initiative for the above referenced site. Reference documents are as follows:

- Construction Drawings by Crown Castle dated 01/7/21.
- Structural Analysis Report by Crown Castle dated 11/24/20.
- Antenna Mount Analysis Report by POD Group dated 11/9/20.
- Mount Modification Drawings by Mastec Network Solutions dated 06/27/19.

It was determined that the equipment was installed as intended on the construction documents. Therefore, based on the aforementioned, this site **is in compliance** with the drawings.

The conclusions reached in this evaluation are only applicable for the equipment described above. There is no qualification made or implied by this report for existing conditions not involved with the upgraded equipment.

If you have any questions or require additional information about this matter, please contact me at our Boonton NJ office at 862-242-8050.

Sincerely,
Elevated Engineering, PLLC
